Council Knocks Plan To Levy For Underground

Altona Council will oppose any plan to allow the Board of Works to impose a levy on ratepayers to finance Melbourne's proposed underground railway.

The council believes the Board's main interest should be to ensure all the metropolitan area is sewerage.

Cr. W. L. Crofts said a suggestion had been made that the Board impose a levy on all ratepayers in the metropolitan area to raise the \$80 million for the underground railway.

"I believe that if this plan is implemented it will be another burden on the ratepayers of Melbourne," Cr. Crofts said.

"I am not here to argue whether or not an underground railway should be built — but we must oppose any levy on ratepayers."

"The ratepayers of Altona have been called on — or soon will be — to contribute towards \$50 million needed for a sewage pipeline between Carrum and Cape Schank. Yet there are ratepayers who have lived in parts of this city for 50 years and they still haven't got sewerage."

Cr. Crofts said the Board of Works had decided to cut the next proposed sewerage

scheme in the Altona area in two, because it did not have the finance to do the work.

"And this is despite a plea by our Medical Officer of Health that if the area is not sewerage it will be a potential health hazard."

"The Board said it didn't have the money to do the work. Why? Is it because we live in Altona?"

"It is proposed that the Board levy ratepayers for \$80 million for an underground — yet we're told that one-third of Melbourne is unsewered."

"Where is our sense of values?"

Cr. Crofts said businesses near the underground railway would benefit most from it, therefore the businesses should pay most of the cost.

"The ratepayers are getting knocked enough, and this would be another imposition," he said. "If the Board can levy ratepayers for an underground railway, surely it could raise a levy to sewer every area?"

LIFESAVERS HONORED

Four members of the Altona Lifesaving Club, recently honored with awards by the Royal Life Saving Society, were guests at Tuesday's meeting of Altona Council.

They were Mrs. Mellett, who received the Victorian Associates' Badge; Mr. Roy Edwards, who was awarded a bar to his Recognition Badge; Mr. Graham Shana-

han, who received a certificate of thanks; and Mr. James Byrne, who was awarded the highest honor possible in the Royal Life Saving Society, the Service Cross.

The Mayor, Cr. P. A. Burns, presented Mr. Byrne with a certificate expressing the Council's appreciation and congratulations.

"The Altona Life Saving Club has been functioning for years and has been acquiring itself creditably every year," Cr. Burns said. "The success is no doubt due to enthusiasm of members, including the older people who hold duties on the administration and training side of things."

Four Locals In State Junior Soccer Squads

Four junior soccer players from Altona have been selected to play in State squads.

Anthony Hamill, Bruce Roberts and Graham Reilly are playing with the Victorian Under 14 group which leaves on Saturday for a match in Adelaide on Monday.

Robert Saxton is a member of the Under 16 squad, a team which played a curtain raiser to the match at Olympic Park last Sunday between West Germany and Victoria.

Police Woman To Speak

Altona's Mayor and Mayoress, Cr. and Mrs. P. A. Burns, have been invited to attend the annual meeting of the Altona Branch of the Local Association of Guides and Brownies in the Guide Hall, Civic Parade, on June 18.

The guest speaker will be a police woman from Police Headquarters.

JUST SEVEN MINUTES TO THE CITY

It would take only seven minutes — including the time it took to pay a toll — for motorists to travel from Doherty's Road to Port Melbourne on the Lower Yarra Freeway, Cr. W. Sommers said on Tuesday.

Cr. Sommers was commenting on a council inspection of the freeway project.

He said the freeway speed limit would be 70 m.p.h., and there would be no load limit.

He said the toll for using the road had not yet been fixed, but would be about 20c.

"The lights will be placed 60 feet above the roadway, and the guard rails, designed by G.M.H. in the U.S.A., will deflect any vehicles which hit them back onto the road in a straight path, rather than let them go off the bridge," Cr. Sommers said.

"The only thing I didn't like was the pedestrian overpasses. They were 18 ft. 6 in. above the road. I feel they should have been higher, because there will be big loads using the freeway."

He said the section of the freeway between Doherty's Road and Williamstown Road would be completed by next December.

"The overpass at Millers Road is one of the highlights of the whole freeway," he said. "You get a great view over Altona and can see across to Arthur's Seat."

"Everyone was surprised at the view."

Talks On Gas Pipe

Mr. R. G. Whiting, director of the Oil and Gas Branch of the Mines Department, and Mr. G. F. Hazard, petroleum pipelines and installations superintendent, will meet Altona Council on July 7 to discuss testing and examinations of pipelines.

ALL SET FOR THE BALL

Arrangements are well in hand for Altona's second Mayoral Ball, to be held in the Civic Centre on June 26, the Mayor, Cr. P. A. Burns, said on Tuesday.

He said official invitations had been issued and he expected 240 people to be present.

"The debutante training is progressing satisfactorily and the recent rehearsal showed that we should have quite a spectacular and impressive presentation ceremony when 12 debutantes will be received by the Mayoress and me," Cr. Burns said.

WANTS ONE-WAY STREET

Mrs. J. Tate, Railway Street, Altona, has asked Altona Council why Railway Street North, between Pier Street and Millers Road, isn't a one-way street, as Railway Street South is.

"The north side is no wider and has a fair amount of traffic using it," said Mrs. Tate. "It would seem that this also should be one-way."

Mr. R. Simmons, City Engineer, and Altona Police will be asked to comment on Mrs. Tate's query.

HOSPITAL DONATION

The Mayor, Cr. P. A. Burns, presented the president of the Altona Hospital, Mr. R. Stringer, with a cheque for \$200 on Tuesday night — Altona Council's donation to the hospital.

Thanking the council, Mr. Stringer invited the council to nominate a life governor of the hospital.

All O.K. For "Altona 60"

Council has given its approval for the League of Victorian Wheelmen to conduct its "Altona 60" — a 60-mile open road cycling race — on June 20.

The Mayor, Cr. P. A. Burns, will start the race from Logan Reserve, on The Esplanade, at 12.45 p.m.

The race route is along The Esplanade and Maidstone Street to Queen Street, then to a circuit in Laverton where there will be four runs. The cyclists will then return to Logan Reserve by the same route to finish about 3.40 p.m.

The League has police approval for the race and has undertaken to have cars with overhead speakers in attendance. Officials will carry red flags at all corners.

Council Wants Act Clarified

Altona Council will ask the Victorian Attorney-General to clarify a recent amendment to the Local Government Act which requires councillors to disclose if they have any direct or indirect pecuniary interest in a matter before the council.

Under the new amendment councillors must not stay in the Council chamber while discussion takes place on any matter in which they, their company or partners, or their wives, have a direct or indirect interest.

An offence under the amendment carries a \$500 fine.

A book must be kept to record any disclosure of interest by a councillor, and this book can be inspected by anybody on the Council's voters' roll.

"Confusion reigns supreme about this," said Cr. W. L. Crofts. "Not only among

councillors, but also in administrative circles and among town clerks.

"I believe we should seek clarification before it develops further."

Cr. Crofts said 16 Melbourne City Council members left a Council meeting because of "interests" this week — leaving the Council almost without a quorum.

"How far does indirect interest in any matter go?" he asked. "To me the Act is far from clear. Some clarification must come from the Attorney-General or the minister who introduced the Act into Parliament. I'd like to know the actual legal opinion."

"I think I know the answer, but I'm not sure. I want our positions clarified."

Cr. Crofts said the amendment was introduced into the Local Government Act to ensure the "purity" of councillors. He said he believed the purity of a councillor, who gave time and effort to the Council, was beyond dispute.

"I know there could be exceptions," he said. "Essendon Council adjourned last week to get advice on the amendment. Frankston Council was forced to adjourn its meeting because there wasn't a quorum because of the Act, and Melbourne City Council nearly had the same problem — 16 councillors, including the Lord Mayor had to leave."

"I want to know our position. I don't want to be held up to ridicule because I had an indirect interest in something I voted for. I want to be able to serve the ratepayers properly."

He said the situation could arise where the Council wanted to buy an item made only by one company — but a councillor's wife had a few shares in that company.

"Would that councillor be able to vote, or would he have an indirect interest?" Cr. Crofts asked.

"If a councillor, or his wife, is on the Board of Management of a local hospital, and the Council wishes to give a donation to the hospital — what is the councillor's position?"

"If a sporting club asks to have its grass cut, and a councillor is a member — can we vote to give the club the Council's assistance?"

Fish And Chips On Agenda

Altona Council's suggestion that regulations be made to compel the sale of fish and chips by weight will be on the agenda of the Western Suburbs Municipal Association, when it meets at the Melton Municipal Offices on June 17.

Mr. J. W. Waters, Town Clerk, said pollution matters formed a great part of the meeting's agenda.

SIGN TO MOVE

The Country Roads Board has informed Altona Council that the "Welcome to Altona" sign in Millers Road will have to be moved to make way for the Lower Yarra Freeway interchange.

"It will be necessary to erect a number of traffic directional signs at the interchange and it is felt that any superfluous signs could cause confusion and a definite hazard to traffic," the Board's divisional engineer told council on Tuesday.

"Furthermore, the remodelled median will not be wide enough to accommodate the existing sign."

Mr. R. Simmons, Altona's City Engineer, will report to council on suitable alternative sites for the sign.

EDITORIAL**DOOR KNOCKS**

There can be no substitute for a person to person appeal for help.

The Altona council decision to permit post franked replies for certain charitable appeals cannot be considered a fitting alternative.

It will certainly make it easier for many Altona citizens to contribute to approved appeals.

However, as such donations would be restricted to cheques or notes of \$1 and upwards (no coins), many of limited means may not be able to participate.

This defect, of course, could be partly overcome by the council permitting receiving depots at sufficient points in Altona.

With the apparent general support of its citizens, the council has taken a definite stand against the importunity of personal appeals as in door knocks.

The only objective must be that generally approved charitable causes are aided to the extent that they deserve to be, and could be.

The means by which such help is given may be secondary but the extent of its effectiveness is to some degree the responsibility of the Altona Council.

Pedal Clubs Were "Great Spectacle"

The Pedal Club competitions at the Grant Reserve Cricket Ground on Saturday were "one of the greatest spectacles seen in Altona for a long time," the Mayor Cr. P. A. Burns, told Altona Council.

He said Altona Pedal Club was host to 10 other clubs, and in all about 350 children took part in events.

No Buggies On Park

Altona Council has refused an application by the Buggy Association of Victoria for permission to use part of the Altona Sports Park, adjoining the scout camp, for a meeting on June 21 or 28.

The association explained that buggies were motor vehicles and the meeting would include motor car-type events.

"We are struggling to find enough grounds for some of our own organisations," said Cr. P. J. Lynch.

SOCIAL SERVICES COUNCIL

Crs. W. Sommers and C. W. Carlsson will represent Altona Council at a quarterly forum of the Victorian Council of Social Services on June 24.

The forum will be followed by a meeting on prisoner rehabilitation and after care.

Cr. D. K. Grant and Altona's Chief Health Inspector will attend the Council of Social Services' annual meeting at the Southern Cross Hotel on June 27, when Dr. W. D. Williams, Senior Lecturer in Zoology at Monash University, will speak on pollution.

New Band President

The Mayor, Cr. P. A. Burns, has retired as president of the Altona City Band after two years in office.

The new band president is Mr. H. Marshall.

Land Development Display

A DISPLAY on land development in Altona will be presented in November by the Altona Historical Society.

Material for the exhibition is being sought by the Society secretary, Mr. A. Clark. Already he has contacted local and Footscray based estate agents, but more information is needed to piece together the whole story.

His progress will be discussed at the meeting in the Society's room at The Homestead on Wednesday, June 17, at 8 p.m.

Also to be considered will be the fate of the sections of the old pine tree removed from the corner of Pier and Queen Sts. Part of the tree was found to be rotten, but it is hoped that when one section is sanded smooth it will be possible to tell whether the tree was planted 130 years ago by Alfred Langhorne, or if it was planted only 80 years ago along with so many other trees in the district.

For interested folk the Museum will again be open to the public on Sunday, June 21, from 2-4 p.m.

Visitors should enter the door on the Pier St. side of The Homestead at 128 Queen St., Altona.

Altona City Band

The Altona City Band appeared for the first time at a variety concert in Altona at the Civic Hall last Friday to raise funds towards expenses of the Band's trip this month to the Australian championships being held in Sydney.

A bracket of three numbers played by the band opened the concert which was well attended.

Tenor Carl Van Vein sang several delightful numbers.

Over \$200 was raised and business people were thanked for their donations.

The band has already won several awards. Since coming to Altona they have won the Australian C grade, Victorian D grade and Victorian C grade championships.

Wool Demo.

St. Eanswythe's Ladies' Guild are holding a Patons wool demonstration on June 17, at 8 p.m. at the home of Mrs. Wylie, 29 The Strand, Williamstown.

Anyone needing transport is asked to phone Mrs. Brooks at 398-2892.

Rotary Club Of Altona

On Tuesday, June 2, the weekly luncheon meeting of the club was held at the home of Rotarian John Leyden.

Afterwards, the club president, Reg. Higgins, and club members were taken on a tour of the Altona Community Hospital. A very informative half hour was spent observing the hospital facilities and discussing plans for the future of the hospital.

Next week, the speaker will be Captain Ed. Smidtko of Hong Kong who will have as his topic "Borrowed Place, Borrowed Time". Chairman for the day will be Verdun Newnham.

Combined Service

On Sunday next, the West Altona Gospel Mission will combine with Williamstown Gospel Mission for a baptismal service at Williamstown.

Library Re-Registration Routine

Re-registration of members will begin next Tuesday, June 16.

Each member will be requested to hand in his old card and to fill in a new application card, so it will be important for all members to bring their own personal cards rather than ones belonging to other members of their families. People who have lost cards may be re-registered and given new cards at no cost.

Children, of course, will not be able to fill in their own cards. To help us to effect the change-over quickly it would be appreciated if parents could accompany their children, or alternatively, bring each child's borrower's card to the library.

At certain times during the next two weeks an extra staff member will be on duty at the Central Library to re-register members. These times will be:

Tuesday, June 16, 12-3 p.m.
Wednesday, June 17, 12-3 p.m., 7-9 p.m.
Thursday, June 18, 12-3 p.m.
Friday, June 19, 12-3 p.m., 7-9 p.m.

The following week the times will be the same with the addition of a 7-9 p.m. period on Monday, June 22.

Members are not confined to these times, but re-registration will take a little longer at other times during the day. Members who use the Branch Library will have to wait a little longer for their new cards, but they will not be prevented from borrowing books in the meantime.

The only people who will not be re-registered are those who are holding very overdue books and have ignored many notices requesting their return.

Altona Film Society

At the Annual General Meeting of the senior Film Society, it was decided that, because of the small number of adults supporting activities and the low level of the finances, the election of office-bearers for 1970-71 would be postponed and the committee would go into recess until September 24.

Membership is still valid for those who have rejoined the society for 1970 and they will be notified of films to be screened in conjunction with the Junior Film Society. A worthwhile programme is assured.

Next screening is to be held this Friday, June 12 at 7.30 p.m. in the Civic Hall. New members will be very welcome.

The secretary would like to hear from any person holding a projectionist's licence (for 16mm projectors) who would occasionally be available for an evening screening.

Please contact Miss L. Thompson, 73 Civic Parade Altona, phone 398-1406 (after hours).

Two Graduations On One Day

The Footscray and District Hospital will hold their Annual Nurses' Graduation Ceremony this year in the main lecture theatre, lower ground floor, Footscray Institute of Technology, on Thursday, June 11, at 8 p.m.

Guest speaker will be Professor Carl Wood, M.B., B.S., M.R.C.O.C., F.R.C.S.

On the same day at the Hospital's School of Nursing there will be a Midwifery Graduation commencing at 10 a.m.

Altona Square Dance

The square dancer revels in this wintry weather, as Thursday night proves each week, and it isn't long before toes are tingling.

The National Square Dance Convention to be held in Sydney over the Queen's Birthday Weekend will see a great exodus of dancers from Melbourne. There is quite a large group from Altona journeying north.

The Altona Square Dance is held every Thursday night in the Youth Hall, Civic Pde., to the calling of David Hooper, 8 till 11.15 p.m. Novelties and monte carlos. Ring 398-2708 for information.

ALTONA ROTARACT CLUB

At its last meeting, on Friday, May 29, the Altona Rotaract Club members effectively worked together within the four major committees of the club structure.

Through the projects discussed and those already commenced it is hoped that the community of Altona will become increasingly aware of this group of young people.

The next function is scheduled for Friday, June 12, at 7.30 p.m., at the Altona High School, and will take the form of a card night. Supper will be provided and members are invited to bring guests along.

Val's Column

Hello Girls,

It is never too late at any stage of your life to give extra attention, extra care to your hands. Let us not forget this part of your beauty program. Don't let your age be shown on your hands—cherish these two fine, hard working machines.

Moisturising creams massaged regularly upwards towards the wrists, the front of your hands, and the backs of your hands. Plumping the skin layer of skin to keep a young healthy glow. Stimulating the circulation.

Barrier creams worked into the palms, around the cuticles; placing a film between you and your work.

Nails! What character these add to our hands? Have a strong character, a colourful character. Care for your nails from their babyhood. In under the cuticle, down towards the first joint. Feed feeble, weak, splitting nails with Cuticle Massage Cream.

Never put pressure on your file or orange stick. Shape nails, filing from side to centre. Shaping into a gentle oval with nail edge extending at least one sixteenth beyond the flesh of the finger, to provide support for the free edge.

Oh dear! A nail breaking? Don't cut it off. Have Revlon Mend-a-Nail on hand. Brush solution over the nail, in under around split. Tear off strong tissue to required size, place over, around and under split. Presto! A new, strong nail.

Add strength to your nails before accidents happen. Clear protective film to ensure a longer lasting manicure.

Base Coats—either Superbase for flexible and fragile nails, or Frosted Profile for tough, brittle nails.

Paint onto a dry, clean nail surface to add support and strength. Helps enamel adhere. Prevents enamel, stains the nails.

Protect your nails with enamel, clear or coloured in clear, pearl, translucent, frosted—make your choice.

Impatient for those coats to dry? Spray with Quick Dry to make immediate touch dry.

History Of Newport To Geelong Railway

The transfer of Australia's first country railway, privately operated between Newport and Geelong by the Geelong and Melbourne Railway Co., to the Government was assented to by the Victorian Parliament on June 8, 1860 — 110 years ago.

On that date, Act No. 96 vested the railway in the Board of Land and Works. Official transfer dated from September 3, 1860, the Victorian Railways Commissioners recalled today.

The cost was \$1,600,000 to which had to be added \$500,000 estimated expenditure for repairing the line.

Most of the company's staff, nine locomotives, 20 passenger carriages and about 50 wagons were absorbed into the Victorian Railways.

Earlier, there had been strong opposition to the railway. Melbourne interests were threatened by it and its opponents held that it would divert through Geelong much of the traffic to the Ballarat goldfields.

There existed a spirit of what some had called jealousy and antagonism between the two cities. Sir Henry Barkly (Governor of Victoria) preferred to describe it as a "spirit of healthy competition out of which much good might come."

Approval for the building of the Geelong line had been granted by the Legislative Council in 1853, and the Government gave \$2000 to the Geelong and Melbourne Co. for preliminary expenses. The company had no particular route in mind, other than from Geelong towards Melbourne.

The first turf was cut and the foundation stone at Geelong station laid by the Lieutenant-Governor (C. J. La Trobe) in September 1853.

Contracts were let for building the line at one stage, 100 prisoners were hired to the company at 50c each daily. Construction of the line was completed in 1857.

Later that year, when the Geelong Railway was connected to the first completed portion of the Victorian Government Railways, trains ran through from Newport to a temporary station at Williamstown (Gellibrand's Point).

But, running into financial difficulties, the Geelong Co. asked the Government if it was interested in purchasing the line. The reply was favourable but needed an Act of Parliament.

One of the problems on the line, which had no signal system, was that the locomotives were too heavy and unsuitable for traffic.

In June 1858, when the company owed \$2,000 in wages to staff, a distress warrant was issued at Williamstown Court and constables met the morning train on arrival at Williamstown Pier and took possession of three carriages. Another three were taken from the afternoon train. The carriages were sold by auction for \$1,780 — presumably to an agent for the company, because they later returned to the Geelong-Williamstown train service, which was not interrupted by the financial troubles.

THE CURTAIN RISES

BY THISBE

When a single performer stands up in front of an audience to entertain them, he is the loneliest of all people.

The solo performer stands alone; his mistakes once made can never be repaired. His reputation will depend largely on how well he uses his special skill.

Mr. Jason Savage, who has just finished a season of his "one man" show, "The Fun House Of Edgar Allan Poe" has a great deal of skill and fortitude.

Mr. Savage creates on stage, with a minimum of props and lighting effects, the life and times of the American writer and poet through his works and the writings of other people about him.

Old favourites, presented with great polish were "The Raven," "Annabell Lee" and "Eldorado."

The humorous excerpts such as "Brandy & Tobacco" and "The Spectacles" were very popular while the audiences delighted in being scared to death by "The Hall of the House of Usher," "The Black Cat" and that well known and ever frightening "Tall-tale Heart."

Perhaps the purist will say that Jason has chosen too much "black" in his program, that he hangs too long on some words and that his performance is influenced by other famous names who also perform these pieces. This may be so, but it also should be said that he is on stage for over two hours working with great skill and technique to create a certain atmosphere which makes this dark melodrama readily acceptable.

He is an actor working in his own medium in a way that makes an evening at the theatre pleasure for the lay man as well as the theatre "Buff."

We have been told at great length, that the Western Suburbs are in a cultural desert. It is rather a pity that so few of the people who make such a point of telling us how backward we are, did not bother to come and drink at this little cultural oasis.

LETTER TO EDITOR

Dear Sir,

Could you kindly through the pages of your Paper, allow me to express my sincere thanks to the Electors of the Melb. West Legislative Council Province who voted for me at the Elections held recently.

It was indeed gratifying to poll such a large vote, but sad to see the large number of informal and votes not cast.

The acceptance, by so many of D.L.P. Policy, is reassuring and bolsters one's confidence for a further attempt.

Yours faithfully
K. L. BERRIE

D.L.P. Candidate for Melb. West Leg. Council Province.

Blood Donor Sessions

Mobile units of the Red Cross Blood Transfusion Service visit metropolitan districts for the convenience of donors who live or work in these areas.

Next Tuesday, June 16, the Unit will be at the Williamstown Town Hall from 1.30 p.m. - 5 p.m. and 6 p.m. - 7 p.m.

LETTER TO EDITOR

SIR, — After having attended the combined Cubs Playtime on May 29 at Altona, I wish to pay a compliment to the very fine performance which was put on by each section of the Cubs. These small lads really did put their very best into their own particular play.

The fine leadership of the Cubs is something of which the families of the leaders may be justly proud. When one thinks of the time and patience which was needed to achieve that which we witnessed on Friday night, one cannot help but feel happy to know that there are still some unselfish people in our district who spare time to devote to the training of young boys as Cubs.

I would like to express the thanks of my husband and I to Mr. L. Innis for sending us the invitation and arranging transport for us. Thanks also to Mr. K. Deans who transported us to Altona and back home after the show.

Yours etc.
S. C. PROCTOR.

West Metro. Region Girl Guides

The West Metropolitan Region Girl Guides Extension Branch Auxiliary met on Monday, June 13 at Newport, and good progress was reported by the Auxiliary and also of the Extension Ranger Guide Unit.

The guides from the unit went to the beach on Saturday to complete their challenge to qualify them to be invested as Ranger Guides.

The Auxiliary is holding a Watkins Demonstration on June 17 at 2 Revo Street, Newport at 10 a.m. Further fund raising efforts include a cosmetic evening at West Footscray and a jewellery evening in August at Ardeer.

A theatre morning is planned for July 13 at the Odeon in Melbourne, details of which may be had from Mrs. Bond, North Sunshine or Mrs. Carlyon, Region Commissioner, phone 68-6027. There will also be a cake decorating demonstration in September.

Any person connected with Guiding or not is more than welcome to attend any of these efforts. Guides always work for their own funds but as an Extension unit is for handicapped girls, it is necessary for the Auxiliary to raise quite a lot of money to help with transport, equipment, etc. Therefore if any person feels they can support these fund raising efforts the Branch would be more than grateful.

Next meeting of the Extension Auxiliary will be on Monday, June 29 at the home of Mrs. Carlyon, Region Commissioner, 66 Suffolk Street, West Footscray at 7.45 p.m.

TPI SOCIAL CLUB

The next card afternoon will be at 1.30 p.m. on June 18 in the Manchester Unity Hall, Footscray.

Members are reminded that the half yearly meeting for both ladies and men will be held at 1.30 p.m. on June 11 in the Manchester Unity Hall, Footscray. All are welcome to attend.

Dance At RSL

A dance will be held at the R.S.L. Hall, Sargood Street, Altona this Saturday, June 13, at 8 p.m.

Members and friends are welcome to attend.

Unsewered Areas Could Be Source Of Pollution

The Minister for Local Government believes the principal source of potential pollution in the Altona area is the number of unsewered properties and the drains discharging into the sea.

Mr. Hamer said this in a letter to Mr. A. W. Knight, M.L.C., replying to a deputation on the discharge of effluent from the new sewage treatment plant at Altona.

Mr. Knight told Williams-town Council last week that the Minister had referred the deputation's submissions to the Board of Works.

"Since the installation was made at the direct request of the Altona City Council, and under an agreement between it and the Board of Works, and some of the submissions are of a technical nature, it is appropriate that the matter should be referred to the Board," the Minister said.

Because of the danger of pollution from unsewered areas, he said, nothing should be allowed to stand in the

way of sewerage area as rapidly as available funds and other funds permitted.

The Council will ask Mr. Knight to keep it informed of all developments in the matter.

Cr. H. Clancy said the Council should make itself perfectly clear that it opposed the discharge of effluent into the bay.

"We discussed this at length and in the end we agreed to support the plan," said Cr. H. Whittaker. "If it doesn't go through, many houses in the metropolitan area will not be sewered."

Cr. J. White said the Council supported a proposal to discharge effluent into the bay at Carrum, but when the Government decided not to go ahead with this plan, the

Council felt if it was not good enough for Carrum, it was not good enough for the Western Suburbs.

"Altona Council supported the plan in the past, but times, and the talk about effluent, changed a lot of these things," he said.

"I know that at some time in the future there will have to be some effluent outfall similar to the one planned for Cape Schank here on the western side of Melbourne," Cr. White continued. "This will be needed to take some of the pressure off Werribee."

In reply to a question from Cr. F. Jarrad, the Mayor, Cr. R. Dawes, said the Council's policy was to oppose the discharge of effluent at Altona.

Kindergarten Warming

A social night is to be held as a "kindergarten warming" at the Lindwood Avenue kindergarten, Altona West, on Thursday, June 18, at 8 p.m.

Admission is 20 cents and ladies are asked to bring a plate of supper. All are welcome to attend.

SWINGING WORLD

With **RON COLEMAN****AESOP'S FABLES APPEARING IN ALTONA**

One of Australia's top pop groups, Aesop's Fables, will appear at a Civic Hall dance on Friday, June 19.

This group has toured all over Australia and made several television appearances.

But the name Aesop's Fables has really caught on since Brenda Glover joined the group as vocalist. Brenda has a great little voice and recently she made headlines after wearing a see-through crocheted dress. Rather nice I thought but apparently the critics didn't and Brenda came under fire.

That dress and Brenda's recent bout of pneumonia were probably the best publicity the Australian Entertainment Exchange ever had. But with or without the publicity Aesop's Fables are a great group and you will have the opportunity of seeing them at the Civic Hall on June 19.

Brenda has a gas voice and recently that famous guitarist Les Staacpool joined the group. Incidentally, Ray Evans tells us that the Fables have just returned from a very successful three weeks tour of Sydney.

After three weeks back in Melbourne they are off to Adelaide for a week. "I don't want them to become over exposed in Melbourne", said Ray. "This is very easy when a group is working the same venues all the time."

Appearing with the Fables on the 19th will be a sensational new group called THE WAREHOUSE. In fact it is hoped that the dance will raise funds for the group to put down a recording sometime this year.

The Warehouse stems from a very old local group and some of the "oldies" in Altona may recognise at least one face in the group. But that is about all because this group has a very professional sound and has written original numbers.

Anyway, the dance will do more than raise funds for The Warehouse. More than anything it is aimed at giving "Swinging World" readers from Altona, Williamstown and Newport (not to forget Laverton) an entertaining Friday evening. And one that will be long remembered.

Tickets will be on sale for \$1 around Altona at places like Mick's Barber Shop at Somers Pde. and the Record Bar.

You can help to make the dance a success by buying a ticket, because it is not very often that you will have the chance to see top groups like this in Altona.

Strange Clan In Altona

A weird clan of young men has suddenly arisen in Altona.

At the moment "SKIN-HEADS" are all the rage overseas but here the "MAXI-MEN" are in.

They wear old pre-war coats and battered "Untouchable"-type hats.

You can see them on "Speakers Corner" in Pier St. on a Saturday morning.

Nobody is quite sure what these Maxi-Men are all about. But one thing's for sure. The Opportunity Shop has never had it so good.

The Maxi-Men hold fashion parades regularly and their other main interest is terrorising the babies of young female shoppers.

If you wish to become a Maxi-Man simply purchase a battered old hat and steal an old coat. And you've got it made.

Win A Drive-In Ticket

Name the film star who won this year's Oscar for the best actor. It's an easy one. Send your entries to "Altona Star Swinging World", 101 Pier St., Altona, 3018.

First three opened will win a pass to a Village Drive-In Theatre.

Bulldog Takes A Big Bite

Remember me raving on about a group called PROCESSION a couple of years ago, before I went off to play cowboys and indians?

Procession is history now, but Mick Rogers lives on with BULLDOG, his sensational new group.

The group's worst performance is over now. It was their first. Bulldog opened its jaws and bit off a huge hunk. It could be bigger than they anticipated. But Bulldog's ambition is to hang on jaws locked with determination and short tail wagging with talent.

Who or what is Bulldog you may well ask?

Well, I have already given you one good clue. Bulldog has a good head on its shoulders in Mick Rogers.

Mick has gained experience with people like Adam Faith, and groups like the Procession and Doug Parkinson. We all knew it was only a matter of time that was keeping Mick with Doug. And you are all going to hate me for this, but I think that Mick Rogers

leaves Doug Parkinson for dead. And indeed he has by forming Bulldog. I think I preferred the material Procession played, but then they were an entirely different group.

Peter Myles is a Brisbane-ite. He has played with BAY CITY UNION, BLACK CAT CIRCLE and Mick Hadley's group, THE COLOURED BALLS.

Bob Dames was bass player with a great group called the PURPLE HEARTS four years ago. Remember? He could have been a great photographer and he was doing well in the advertising field. But music has enticed him into Bulldog.

No wonder Bulldog is like a puppy with four tails. Three brilliant musos have come together to try and make it big.

Once again—time will tell.

Behind The Scene

Now that the Australian Entertainment Exchange has Peter Raphael in Sydney, groups like THE AFFAIR and CLEVES will come to Melbourne.

But Ray, who don't you push TURNSTILE a bit more?

Issi Dy would not dare go anywhere without his Amco gear.

Visiting Melbourne this month is an Adelaide all-girlie group called the CAROUSELS. These girls feature SUPREMES material and they have gained plenty of stage experience in Perth and Adelaide.

Allow me to drop a name — Tony Hewitt.

You may be seeing something of him soon.

THESE two Airfield Defence Guards who saw service together at Phan Rang in Vietnam, are together again at the Air Training Corps Headquarters, Victorian Squadron. Leading Aircraftmen Rob Loftus, of Stanmore, N.S.W., was born in Scotland 22 years ago and has served four years with the R.A.A.F.; Barry (Buddah) Reichart, of Newport, Vic., is 25 years old and has been in the R.A.A.F. for eight years. They are pictured preparing a defence training programme for a forthcoming A.T.C. camp.

MR. WILLIAM GRAVELL

Mr. William Gravell of 3 Crocker Street Newport is well known in Williamstown and Altona. Indeed many outside the local scene have met him with appreciation and pleasure. Mr. Gravell was of course one of the Old "Dads" and is still prominent in lodge circles but pre-eminently he is a man who never gives up.

Born in 1885 he is a man of many memories. He can tell much of early Williamstown and its people. But of himself and his family the full story has not been told, and it probably never will.

There are aspects of his life that speak for themselves, others cannot be recalled but to himself — the achievements the frustrations the joys and the sadness of a not easy life.

Back in 1853 his grand father, Mr. Hector Munro, from Scotland arrived in Melbourne as a carpenter. He became associated with the first stages of the Williamstown - Melbourne railway line.

He assisted in building of the Cole and Thompson Sts. bridges. He also constructed the first four wheel track used on the line. He was an onlooker of the convict rebellion when Owen and Price were killed.

Mr. Munro had a son Adam and two daughters. A daughter Maggie married a Mr. Gravell, William Gravell was their son. Adam who lived to his 98th year was a notable character.

A photo exists, showing him in a bowls tournament when over 90 years, still standing straight as a poker, all six feet.

Mr. Gravell's family came to Williamstown for health reasons when he was about 15 years old. They opened a shoe shop in Nelson Place in November, 1900. Later on the business was transferred to Ferguson St. to the location where Simmers Hardware now stands. His father died in 1921.

William Gravell carried on the business till it folded in the depression.

He remained in the shoe trade for some years then worked in the Commonwealth Aircraft Factory till his retirement.

In his younger life sport was his main interest. Ten-

nis, baseball and cricket had their place.

He was for some years a member of the Hobson Bay Yacht Club. Enjoyment of bowls came later. He played for about 40 years—first representing the Williamstown Club in 1913 but the nearest he came to a championship was runner up.

Nowadays he has too many activities to tie himself down to this game. A widower for 11 years, Mr. Gravell had a son and a daughter. His son, David, served in the Navy and he finished Lieut. Commander in the radio section. He died last year.

In the early days after the Second World War the Soldiers Sailors and Air-men's Fathers Assoc. was numerically strong around Newport. However, through the age attrition over many years the local branch has now but few members. No meetings are now held, but Mr. Gravell still persists. He keeps in touch with remaining members and as a councillor regularly attends Melbourne meetings. He does wish to express thanks to the ladies' auxiliary under Mrs. Fleet, president, with its community singing under compere Bonnie Jarrard.

Mr. Gravell has been a member of the Williamstown Lodge for 48 years. He has filled all offices and has taken Grand Lodge honours. He is also proud of being an honorary member of many other chapters.

Nowadays, at 85, Mr. Gravell is still busy. On Monday he attended as councillor a meeting of the "Dads"; on Tuesday he was working in his garden outside his well kept home. This week he will be out several times (not more than four or five) on lodge business. And that is our picture of William Walter Gravell, a worthy citizen of Williamstown.

"Book Parked Cars"

North Williamstown State School Committee has asked that Williamstown's Traffic Officer be asked to book all cars illegally parked around the school crossing area when children are using the crossing.

The Committee asked that no more warnings be given. Council instructed the Traffic Officer to keep the situation under attention.

Congratulated

Williamstown Council has written to the Williamstown Little Athletics Centre to congratulate it on its successes during the last season and to wish it well for the next season.

Centrals Down Point Cook

In a "do or die" effort Centrals defeated new side Point Cook. Centrals were sadly depleted by the loss of several key players before the match started, but every replacement pulled his weight to bring home four points for the side.

The game began briskly with Point Cook getting their teamwork going early with good handball and backing-up. Centrals' defence stood up to this early pressure with Jeff Robinson at full back proving to be a stumbling block for Point Cook.

Point Cook were showing greater determination and were first to the ball but were unable to convert opportunities.

Centrals' forward line was wide open and made the most of limited opportunities to be just ahead at quarter-time.

Point Cook went straight into attack in the second quarter and rattled Centrals with three quick goals.

Centrals were struggling and Point Cook looked the better side with their big men dominating the air.

Centrals' big man Barry Height then began to apply himself in the ruck and Centrals notched their first goal of the quarter through Warwick Heath.

Centrals battled on to make up the leeway and were back in the game at half-time.

Both sides realised that victory could go either way and the third quarter produced some solid physical clashes. Barry Height had taken over completely in the

ruck and was marking everything that came his way.

With only points the difference at three-quarter time the stage was set for a thrilling last quarter. Centrals immediately went into attack and good play by Jeff Lott resulted in a goal for Centrals. This spurred them on and they kicked six goals straight for the quarter.

Point Cook never gave in for a second and late in the quarter scored a couple of goals to bring them a little closer to Centrals.

Scores: Central Altona, 12-10-82; Point Cook, 9-8-62. Best: B. Height, J. Robinson, N. Davies, R. Smutney, R. Cole 2.

Other goal scorers: K. Collins 2, W. Heath, J. Lott, W. Kennedy, A. Evans.

UNDER 18

Centrals were beaten by Altona "B" who proved too strong in the second half.

To the side's credit they battled the game right out but lack of physical fitness caught up with several of the players.

Scores: Altona "B", 12-8-80; Central Altona, 9-10-64.

Best: N. Boicos 1, I. Laffey 3, R. Makinson, L. Thwaites, J. Cachia.

Other goal scorers: D. Rochester 3, A. Vassiliadis 1, M. Ivory 1.

West Newport Prove Too Strong For Altona City

West Newport are the new League leaders after defeating a very unimpressive Altona at Maddox Reserve last Saturday.

FIRST QUARTER

Although Altona had to reshuffle its side when Richie Zapart was a last minute withdrawal, it was obvious that on this small Maddox Street Oval the team that was willing to go in for the ball was the team that would take out the four points.

Once again Altona stood flat-footed in the first 10 minutes of this quarter whilst West Newport piled on four goals.

Altona then realised that you can't give starts away to teams like West Newport and started the battle to get back on top, but West were not going to be denied the lead and finished the quarter well on top of the visitors.

SECOND QUARTER

Altona started off the second quarter with positional changes on the half-back line and wings which were taking a hiding from their West Newport opponents.

Laurie Egan was switched to a half-back flank and was the only Altona player to show any dash on the back line and continually drove the ball forward only to see a disinterested forward line (with the exception of Garry Munro) "fritter" away chances that would have put Altona back in the race.

Although the ruck duels were even in this quarter West Newport were moving the ball away from the centre only because of their determination to go in and get the ball, whilst Altona waited for it to come out to them.

As the half-time siren blew a very bewildered Altona side were four goals down and had a hard task ahead of them to get back into the game.

THIRD QUARTER

It was obvious the Altona side had been "roasted" at half-time from coach Dell York because a rejuvenated Altona team, with many positional changes, started to look like the top side when players lifted themselves and were determined not to be brushed aside by their heavier West Newport counterparts.

But all the good work which was being put in around the wings and flanks was being wasted in the forward zone by overcrowding, lackadaisical kicking for goal and an occasional disinterest by Altona's forward line.

Mention must be made in this quarter of Hardham, Flett and Egan.

The quarter ended with Altona reducing West Newport's lead to three goals and still a chance to pull the game out of the fire.

FINAL QUARTER

Altona's hopes of winning this game were short lived when West Newport opened up their forward line and with a positive approach to goals raced away to put the game beyond doubt.

When Altona were fortunate enough to get within scoring distance, silly handball or inaccurate kicking for goal cost them any chance of getting back into the game.

As the final siren sounded West Newport's forwards were doing what they liked and a very dejected looking Altona backline were unable to stop them.

Scores: West Newport, 19-14-128; Altona City, 11-14-80. Best: L. Egan, A. Molloy, G. Munro.

It was obvious from Saturday's game that Altona missed players of the calibre of

Zapart, Jenkawiez, Tisdale, etc., who although not the most talented players, never shirk an issue and always give 100 minutes of football, and quite a few Altona players will be "looking on" next week unless they are prepared to put more effort into their game and have a better mental attitude towards it.

The Altona selectors will be burning the midnight oil next week to field a side worthy of second position on the ladder.

UNDER 18

Altona Rebels, 12-9-81, defeated Altona Central, 9-10-64.

The game started with Central taking a lead of one goal at the end of the first quarter.

Central dominated the play. Vanderpoel and Roest, full back, repeatedly turned their attack. At the other end of the ground Ken Haining played a superb forward's game.

After half-time when the

Rebels started to know their players they started to function as a team.

Best: Smith, Haining, Zapart, Vanderpoel, Cotter.

Goals: Haining 7, Vandyke 2, Zapart, Grego, P. Martin.

Altona City Under 18 "B", 43-21-279, defeated Laverton, 1-1-7.

Goals: Chatfield 10, Patton 9, Tyrell 4, Courtot 4, Beer 3, Howard 5, Valente 3, Grainger 2, Nowell, Morgan, W. Gates.

Best: All players did well.

UNDER 16

Altona, 16-14-110; Williamsstown, 2-2-14.

Altona, with good team play, defeated top side Williamsstown comfortably.

Best: Paine, Hampton, Parker, Churchill, Burnett.

Goals: Rennie 5, Westhorpe 2, Marshall 2, Churchill 4, Featherby 2, Marsh.

A Pie Night will be held on Wednesday, June 10 (tonight).

South Thirds Really Fire

South Melbourne, after a run of losses, turned on a brilliant display of football to defeat Fitzroy by 47 points.

South went into attack from the start, but were inaccurate when kicking for goal.

Fitzroy soon gained the lead through their accuracy, but Pasquill goaled to bring South back into the game.

South's scoring rate increased when a handpass from Cooper to Stibbard resulted in a goal. This was quickly followed by goals from Kurth and Cooper.

Pasquill, kicked a magnificent goal, which he snapped from the boundary, followed by another, to put South further ahead.

South combined well to continually drive the ball forward where Cooper, Doherty and Pearson seized every opportunity to score to put South 30 points ahead at three-quarter time.

South went into attack in the last quarter and soon added to their score with goals from Cooper and Pearson.

Fitzroy's rover, Ken Marks, who played well all day, continually worried South with his speed and agility.

Through his efforts another two goals were scored for Fitzroy, but South were quick to reply with goals from Cooper and Stibbard.

B1 GRADE
Centre (Jack Wylie, Tom Nichols, Dave Doyle) held off Avondale Heights to win 7-4. Veteran Jack Wylie starred for Centre with three rubbers and was supported by Dave Doyle, two rubbers and Tom Nichols.

B2 GRADE
Reckitt & Colman, with only two players, defeated F&T. Carpets 7-4. Ted Powell and Jack Jennings were undefeated in singles and doubles play for Reckitt.

C1 GRADE
Grieve Highway maintained their unbeaten record when they cruised to an 11-0 win over Explosives. Fred Murphy, N. Wynn and G. Lewis each won three rubbers.

Reckitt & Colman, with an 11-0 walkover, retained second place on the ladder.

D1 GRADE
McKenzie & Holland, second

on the ladder, scraped home from a rejuvenated B.R.M. who played well but lost 5-6. J. Lasha won three rubbers for McKenzie & Holland.

In another exciting match an improving Union Carbide moved from the bottom of the ladder when they defeated Newport Post Office 6-5.

D2 GRADE
Williamstown Y.C. retained top place when they defeated St. Mary's "C," 8-3. Barry Harrison and Frank Milton dominated the match for Youth Club with three rubbers each.

Newport Post Office issued a threat to the top sides in D2 when they trounced Australian Glass 10-1. C. Treble and Bernie Fox each won three rubbers for Newport Post Office.

E1 GRADE
The Bertram family of Altona continues to dominate E1, and in Round 6 they defeated Triangle 8-3. E. H. and T. Bertram each won two rubbers.

Enquiries at Centre, 397-7681.

Williamstown Lacrosse Club

"A" City, playing against Surrey Park Whites, started the quarter well and quickly took the lead and held it until the first bell.

Several key players suffering from the effects of the flu started to wilt and Surrey Park took the lead and led 10-6 at half-time.

In the second half City could only increase their score by two goals whilst Surrey Park added a further 11. Final result: 8-21.

"A" Deacons, leader of the Third Division, played Malvern Red of Second Division and handed out a lesson in lacrosse to the Reds. B. Anderson, 5, and G. Spicer were the main goal throwers and R. Smith earned his 3 votes.

In B Grade the Fearons were too strong for Caulfield, 11-3, and P. Howard, with 7 goals, deserved his 3 votes.

City were able to cope with the strong Eltham line-up being at full strength and they ran out easy winners 10-6.

Williamstown, in C Grade again, scored a fine win over Coburg (13-4) and if they are able to sustain the form now showing have a chance of taking out the pennant.

Next Monday (Queen's Birthday holiday) the junior six-a-side tournament is on for the boys and all supporters are asked to go to Malvern and give them their support.

Newport Amateur Swimming Club

Club captains of the Newport Amateur Swimming Club for this season are Robert Turner and Roseanne Reeves.

Graded scratch events continue to run each week and times in these events will be considered for Winter Pennant teams.

Entries close today (Wednesday, June 10) for George's Handicap, to be held on June 17.

Winter Pennant commenced last Sunday and both teams were successful in defeating Maidstone. Outstanding swimmers were Alan Severac, Mark Splatt, Lazo Severac, for the boys' team, and Ann O'Leary, Geraldine Murphy, Susan Medcraft, Theresa Febey and Glenda Reeves for the girls' team.

The teams are quite even in strength and Newport swimmers in most cases bettered their best times.

Williamstown Little Athletics Centre

The first social evening, arranged by the Williamstown Little Athletics Club, for parents and officials was held at the Central Hotel, Altona, last Friday and was enjoyed by all present.

The new Executive Council will hold its first meeting next Wednesday, June 17, at 7.30 p.m. in the Williamstown Amateur Athletic Clubrooms, Newport Oval.

The new Executive is as follows: President, Mr. Ed. Steward; Chairman, Mr. Jim Jamieson; Secretary, Miss Patricia Jamieson; treasurer, Mr. A. Sinnott; registrar, Mrs. Cleary; executive for inter-track and field competition, Mr. Cleary.

Cross country competition, Mr. P. Whinney; championships and special meetings, Mr. J. Wright; publicity and public relations, Mr. R. Silk; organisation of officials, Mr. D. Wragg; club liaison, Mr. J. Picone; records and ranking, Mrs. Joy Bell.

Two vacancies still exist — the executive for Education and for Technical Requirements.

Any parent of a Centre member, or any interested person may contact the President, Mr. Ed Steward (314-0094), or a member of the Executive if they would like further information about these posts.

Williamstown is now associated with Altona, Bacchus Marsh, Corio, Geelong and Sunshine in Region One, of the divisions into which Victoria has been divided to cope with 63 centres and 35,000 members of the Victorian Little Athletics Association. New centres are being formed all the time.

Altona Centre is the "Secretariat" Centre, having been appointed at the recent annual conference of the Association.

The Region will conduct its first event, a cross country run, on Sunday, July 12, at 1 p.m. in the You Yangs. Officials from each centre will be in attendance at 11 a.m.

Competitors will arrange their own transport to the venue.

Entries close with the Williamstown Centre on Friday, June 26, and club managers are asked to assist by collecting the names and registration numbers of their members intending to take part, and also the entrance fee of 30 cents per child, and forwarding to the Centre Secretary.

The next cross country run for the Williamstown Centre will be on Sunday, June 21, at the Footscray Park, at 1.30 p.m. Entrance 5 cents. Entries for the Regional event will be taken by officials during the afternoon.

LISTON-ESPLANADE STAY ON TOP OF LTAV LADDER

With five remaining home and home rounds remaining, Liston-Esplanade cemented its position at the top of the LTAV "A" Grade ladder by defeating Beaumaris three rubbers to one.

Liston-Esplanade, 3-7-54, d. Beaumaris, 1-3-40.

John Stephens-John Hillebrand d. Paul Hearndon-Graeme Stewart, 6-3, 6-0.

Stephens-Hillebrand d. Neville Nette-Phil Robertson, 6-3, 6-4.

Don Cameron-David Wright d. Hearndon-Stewart, 6-3, 5-6, 6-3.

Cameron-Wright lost to Nette-Robertson, 5-6, 5-7.

In the sole rubber lost by the local team, Cameron and Wright led 5-1 in the third set but became rattled when Beaumaris did everything right to win six games straight.

The ladder is now as follows:

	Wins
Liston-Esplanade	8
Royal South Yarra	5
Glen Iris	5
Grace Park	5
MCC	5
Elsternwick	4
Beaumaris	2
Lauriston	1

The only washed-out match in which a decision has not been reached is Beaumaris versus Lauriston which has no real bearing on the finals.

Liston-Esplanade's next match is against Grace Park at home. There is no LTAV Pennant this weekend because of the Queen's Birthday holiday.

In other grades "C" Special defeated St. Kilda by nine games. This team, although having lost one match, is having a neck and neck struggle for the finals as both Glen Iris and Beaumaris have also lost only one match.

John and Michael Kelly went down 6-4 in the third set of their rubber against St. Kilda's strong first pair, but comfortably defeated the seconds 6-2, 6-1. Robert Walker and John Hewitt have performed exceptionally well considering their sharp elevation from last year's premiership "D" team to "C" Special. They beat the second pair 12-10 in the third set after losing to the first combination in straight sets.

The "D" No. 1 had another win, this time again Carrum. David Fowler and Phil Burgoine won one in straight and lost the other in three whilst Doug Stephenson and Alan Urban did likewise.

In the women's division the No. 1 "D" lost to Ivern by only six games. Judith Carter and Marilyn Jones had a real day out and lost only eleven games out of both their rubbers.

Please note that the date for the Cooking Demonstration at the Garden Street clubhouse is June 18, at 8 p.m.

FIRSTS JUST DOWN TO FLEMINGTON

Playing the other undefeated side, Flemington, away, Town lost by seven points after a hard, close game all day.

First Half

Town started nervously and some players were having difficulty in handling the ball. The backs seemed to be hesitant and were allowing their forwards too much latitude.

Town was showing very little teamwork.

After being four points down at quarter-time Town were down by the same margin at half-time.

Half-time scores: Town, 8-2-50; Flemington, 8-6-54.

Second Half

Town played much better in the third term but the forwards were inaccurate. However at orange time they were nine points in front and a quick goal at the start of the fourth quarter put them further ahead. From then on Flemington managed to wrest the game away from our players and with a goal on the bell they ran out winners.

Final scores: Town, 13-11-89; Flemington, 13-18-96.

Best: Jones, Rosenzweig, Halley, Vaughan, Murphy, Zamykal.

Goals: Halley 3, Jones 2, Moore 2, Wilkie 2, Zamykal, Vaughan, Collinder, Murphy.

SECONDS IN FINE WIN
Town started off well by kicking ten goals in the first quarter and from then on never looked in danger of defeat.

Final scores: Town (2), 26-21-177; Bentleigh (2), 6-5-41.

Best: Watson, D. Henry, R. Croft, P. Buckley, B. Blott.

WINSTON HENDRICKS BREAKS THE ICE

After knocking on the door since joining the club at the start of the season Winston Hendricks hit the jackpot last Saturday when he won the 37 mile handicap conducted by the Williamstown and Newport District Cycling Club.

The event was held over four laps of the Sneydes Road, Hoppers Lane, Duncans Road and Aviation Road circuit.

Winston, Martin Reynolds and Michael Lyons, who was having his first ride with the club since transferring from Colac Amateurs, formed the limit bunch which received 30 minutes start.

Sprint prizes for laps one, two and three were donated and were all won by Winston.

Martin fell behind after the first sprint and Michael, who rode exceptionally well, lost contact at the completion of lap three which left Winston with the job of holding off the pursuit of Tony Robson, Wal O'Brien and Colin Robson which he did in great style to record a fine victory.

Colin just defeated his father, Tony, to take second place with only inches to fourth placegetter Wal O'Brien.

Leon Constaninou gained fastest time off the scratch mark.

The lone scratchman, he picked up Geoff Salter with him to the finish taking out his fifth successive fastest time.

Fred ("Wrong Way") Miller returned to the racing scene and all he appears to have lost since he last raced is his road maps and sense of direction, but don't worry Fred, you'll know the course next time.

RESULTS

37 Mile Handicap. — 1st, W. Hendricks, handicap 30 mins., time, 2 hrs., 2 mins., 49 secs.; 2nd, C. Robson, 10 mins.; 3rd, T. Robson, 8 mins. Fastest time, L. Constaninou, scr., 1 hr., 38 mins., 2 secs.

Aggregate progress: L. Constaninou 89, T. Robson 40, J. Pryor 39, C. Robson 33, W. Hendricks 23, G. Salter 16, W. O'Brien 6, M. Reynolds 5, T. Reynolds 3, I. Salter 2, M. Lyons 2, G. Sliker 1, F. Miller 1.

This coming weekend a number of the boys will compete in a combined clubs three day tour.

Final arrangements are nearing completion for the "Altona 60" and judging by the enthusiasm of the riders and L.V.W. officials, this year's staging set down for June 20 will be as big as ever.

NEWPORT BASEBALL CLUB

A TEAM

Newport defeated Port Melbourne in an exceptionally high standard game by both sides.

Newport won with their better batting and fielding. Jim Kelly pitched very well. He pitched to only 30 batters in nine innings.

Safe Hits: Thompson 3, Simpson 2, Young 2, Cleary, Merriman.

Best: Thompson, Kelly.

B TEAM

In a game in which Newport were far superior they won 11-5.

Best: W. Acton, B. Minnett.

C TEAM

Newport lost 8-13 after leading 5-0 when a lapse in concentration allowed the opposition to score runs.

There will have to be a lot more concentration and dedication in this team if it is to be a force to be reckoned with.

JUNIORS

UNDER 17 lost 10-0.

UNDER 15 won 5-2.

UNDER 13 lost 15-3.

Holy Trinity Juniors

Playing at home against Altona Methodists the Under 15 side proved too accomplished and scored a sound win.

Celebrating Trinity's club record of matches captain Mick Lomas was presented with a trophy to mark the occasion and scored nine goals in a brilliant effort.

In a grand game Trinity came from behind to win the Under 12 games and kept its unbeaten record intact by the narrow margin of one point.

Australian Record In Soccer To Altona City And Box Hill

Unbelievable, fantastic and unheard of before in soccer, the third round Dockerty Cup game between Altona City and Box Hill is still drawn after six hours of play and no goals have been scored. Looking through the record books this has never happened before.

What tremendous courage and skill both these teams have shown, and the supporters have had their "hearts in their mouths" as play swung from end to end.

How a goal hasn't been scored is nothing short of a miracle and on Thursday night (June 11) they will front up for the fourth time at Olympic Park under the floodlights. Kick-off time is 7.30 p.m.

This is a just reward for a tremendous effort. Sunday's third replay was played at Selwyn Park and a good crowd was in attendance in ideal conditions.

The atmosphere was electric — surely a goal would be scored in this game.

Ian Roberts, Bobby Molloy and Jimmy Ackers were in great form. Allan, Delany and Ormerod were the work-horses, and up front Steve Herman and Tom Kean were livewires, moving here, there and everywhere in an effort to unsettle the strong Box Hill defence.

Stuart Culbard was a danger man. The Hillmen never knew where he was going to bob up next.

Roberts, with a great save and Ackers, with a timely tackle, helped the Maroons through a "sticky" period. At the other end a good shot and a Herman header gave Box Hill more than its fair share of worry.

This game had everything and the same pattern as in the previous games was evident — the ball just would not go into the net.

Culbard crashed in a great shot from a pass by Coles but it missed by inches.

Herman was running strongly and he blasted over the bar twice as he raced in towards the Box Hill goal.

Spurred on by enthusiastic supporters, players gave of their very best and yet the game remained a non-scoring affair and another half hour of extra time was ordered.

The players of these two clubs are amateurs and the effort that they put in had to be seen to be believed. None but the valiant could keep up this crackerjack pace.

The Altona players seemed to find that wee bit extra and almost pulled the game off. However, the final whistle gave the 22 players a well-earned rest until Thursday night at Olympic Park.

Who would like to try and pick the winner when six hours of play has failed to separate them?

The people of Altona and Box Hill can be proud of these outstanding sportsmen who have captured the hearts of the Australian people in this marathon effort.

Altona were a shade unlucky at Preston on Saturday when they lost the League game 2 goals to 1. They had a goal scored against them in the first 30 seconds, but grabbed the equaliser just before half-time when Culbard thundered home a great goal.

Preston notched a rather lucky winner five minutes from time.

Altona have seven First XI team players out with injury. Both King and Karanatos were injured on Saturday and will be out for at least a week.

Savage, Hynes and Copley could be ready for next Saturday if Altona win on Thursday night. They will play Geelong at Kim Reserve in the fourth round of the Dockerty Cup.

JUNIORS

UNDER 14

Saturday morning saw Altona Under 14's having a comfortable win over Albion Rovers by 3 goals to nil in their cup tie.

Altona made it hard for themselves by taking it too easy and they will have to concentrate more if they are to have any chance of reaching the Cup final. Too many chances of scoring were thrown away by the forwards.

UNDER 16

The Under 16's travelled to Bayswater for their Cup tie, and what a good game it turned out to be. The ground conditions were shocking and good soccer was out of the question, but both teams set about the game as if it was the Cup final.

Bayswater were first to score with a good goal, but Altona fought back with all they had to get the equaliser and before half-time Altona took the lead with a fine goal by Little after good work by Stauberger.

The second half was fairly even and Altona seemed as if they were to hold on to their lead, then Bayswater scored to level the score with five minutes to go.

Extra time had to be played and it looked a draw when Bayswater got the break and scored to win 3-2 in a very exciting game.

Best: Stauberger, Allsop.

UNDER 13

Altona played J.U.S.T. on Sunday last (away) and it turned out to be a good game but luck was against Altona and they lost by four goals to 2 after leading by 2 goals early in the second half.

J.U.S.T. was first to score, but Altona fought hard against the much bigger side to level the score before half-time.

Altona lost Vanderpoel in the second half and this upset the defence that had to be moved around.

J.U.S.T. started to get on top and scored three goals in the last 15 minutes to win the game.

Best: E. Dusink, R. Kinkel, P. Laumets.

UNDER 11

Altona, away to Waverley in its Cup tie, won by two goals to nil, and it was a very good performance by the youngsters who hit their top form after slipping last week.

Reilly was first to score for Altona after a great effort as he beat six players before he shot and gave the goalkeeper no chance.

McMasters scored the other goal for Altona.

Best: D. Reilly, P. Dyball, M. Perry.

21st BIRTHDAY OF ALTONA CUP SENIOR HOCKEY CARNIVAL

This Saturday and Monday dozens of hockey teams will descend on Elsternwick Park, Elsternwick, to take part in the senior hockey carnival started by the Altona Club 21 years ago.

Run at Altona for about 8 years, the Club finally had to appeal to the Hockey Association for help, as the number of grounds available at Altona were insufficient to allow all teams to compete.

This led to the transfer of the Carnival to Elsternwick and it has been held there ever since. However recognition is given of the Club in the retention of the name Altona in the title of the Carnival and the principal trophy.

Altona has won the Carnival twice, in 1950 and 1953 and hopes this year to win again and thus in the one year win both Junior and Senior Carnivals.

Altona's Under 16 team won the Junior event played last month at Altona.

A GRADE LOSES TO ESSENDON

For the second time in six days the Altona A grade team was defeated 4-0.

Playing the undefeated Essendon side away at Royal Park, Altona was outclassed by a speedier, more determined side. Whereas against Old Scotch the locals had their chances, in this game Essendon's half-back line played devastating hockey and quickly killed any hope for Altona.

Up until half-time, Essendon had only one goal on the board. This was a great tribute to the Altona defence as they had been under great pressure for most of the half, but it was too much to expect that it could last, and aided by some poor umpiring decisions Essendon scored three times in the second half.

Altona failed to use the wings and Essendon's centre-half had a field day.

Essendon's clever anticipation and fast movement to the ball made the Altona team's passing and hitting seem ill directed.

Keith Robertson had a tough initiation to A Grade, coming in as a replacement for Peter Hunter, but did very well against an interstate forward line.

C North defeated Geelong, 4-1.

Team changes seemed to have unsettled Altona and the opening standard of play was poor. However, the locals scored first when Brian Smith put in his first goal for the season.

As in the past few games several players disputed the umpires decisions. This resulted in several reprimands and finally a player being sent off. This is poor sportsmanship and could lead to drastic measures to stamp out this kind of behaviour.

In the second half G. Blunt put away a penalty flick from about 10½ yards out — quite a feat. The forward line finally started to work together and this led to goals by I. Bennett and G. Cronin.

Best: A. Challis, S. Cronin.

E North were defeated by Ivanhoe, 2-1.

Altona suffered their first defeat of the season against Ivanhoe, but were not disgraced in that the game was fought out to the final whistle. Altona had opportunities but could not convert.

Goal: N. Hunter.

Under 16 defeated MCC, 7-0.

Good teamwork gave Altona an easy win. With a berth in the final four at stake the locals were determined to win and by as many goals as possible.

Steven Jensen dominated the centre and gave the forwards many scoring opportunities.

If Altona can maintain this form they will have bright prospects of winning the flag.

Best: S. Jensen, J. Forrester.

Under 14 defeated Strathmore, 17-0.

Playing the bottom side at home, Altona were too good as they hit a cricket score against weak opposition.

All Altona players, including the reserves had a good day, showing plenty of ability and the team will make a strong bid for the finals.

Goals: M. Burgess 4, S. Smith 4, G. Studley 3, R. Ramsay 2, G. Brown, F. Keeshan, I. Daley, M. Gibson. Best: G. Brown, A. Self, R. McCauley.

Altona Ladies' Hockey

B GRADE

Altona played Latrobe Uni. at home and in the first half both teams were well matched and the play saw-sawed back and forth but neither team could find the net.

Altona had more opportunities this half, made possible by superb passes from K. Garlick at right wing. The Latrobe goalie, however, was very good and Altona failed to score.

Just before half-time, Latrobe centre-forward found the net with a hard shot.

After half-time the play was still fast but Altona were gradually wearing down their opponents. Altona still failed to score, however, and Latrobe broke through to score again. A very disheartened Altona went back to the centre to bully off.

With much yelling from the coach Altona kept attacking and were rewarded with a nice goal from right wing.

From the bully they went right back into attack and within two minutes another goal was the result.

Although Altona kept attacking the Latrobe defence kept them out and the final result was a draw.

Goals: K. Garlick, C. McDonald.

Best: K. Garlick, H. Harley, G. Studley.
